The Governors of Lees Hill CE Primary School are committed to achieving Best Value in all decisions made. We use the principles of Best Value as they apply to securing continuous improvement in this school and will:

- Regularly review the functions of the school, challenging how and why services are provided and setting targets and performance indicators for improvement;
- Monitor outcomes and compare performance with similar school and within the school;
- Consult appropriate stakeholders before major decisions are made; promote fair competition through quotations and tenders to ensure that goods and services are secured in the most economic, efficient and effective way.

We will strive to ensure that the school is using its resources effectively to meet the needs of our children.

The progress of the annual budget plan is monitored by the finance committee and reported back at each Governor meeting. The Best Value statement will be monitored regularly and reviewed annually by the Governors to ensure there is continuous improvement.
