

Lees Hill C of E Primary School

Best Value Policy

POLICY ADOPTED BY FULL GOVERNING BODY: December 2017

Name: Mike Brown

Position: Chair of Governors

Next Review Date: December 2019

Aims and Objectives:

Lees Hill is a Church of England school, which is committed to providing children with the best possible education to help them reach their potential.

Best value has been defined as "The Local Authority's duty to local people to provide quality services at an acceptable cost. It is not simply the lowest cost or the highest quality - It is a question of finding the right balance of the best value for the price that the school is prepared to pay".

Best value will be provided by Lees Hill CE Primary School for the children and the community that we serve. Best value will represent making the best use of available funding by balancing the priorities for:

- (a) Facilities (Classroom)
- (b) Materials (Classroom)
- (c) Fabric of the School
- (d) Playground
- (e) Staffing (Classroom and Office)

Role of Staff:

To obtain quotes and proposals to inform the School improvement planning process.

Role of Governors:

Planning for continuous improvement under the direction of OFSTED and through our own initiatives aiming for excellent results within the National Curriculum framework. It is the duty of the Governing Body to ensure continued School Improvement within our budget.

Monitoring and Review:

Best value will be achieved through consultation and regular review of how and why services are provided, and by whom. They should be efficient and cost-effective. Internal and external audits take place to ensure that we are achieving well. Best value will be evidenced by the school providing:

1. A high standard of primary education with flexibility to cater for children with special needs at both ends of the spectrum;
2. A secure yet stimulating environment for learning and personal development;
3. Well qualified, dedicated, caring and supportive staff;
4. Up-to-date educational facilities.

This policy will be reviewed annually, or sooner as necessary, by the Governing Body.
