

ENGLISH

USING OUR TOPIC OF ANCIENT GREECE TO INSPIRE OUR WRITING, INCLUDING OUR OWN MYTHS.

TO DEVELOP OUR COMPREHENSION SKILLS, WE WILL BE LOOKING AT INSPIRATIONAL PEOPLE.

WE WILL READ INDIVIDUALLY AND IN GROUPS FROM ALL GENRES.

Geography

* describe & understand earthquakes & volcanoes

*locational knowledge *place knowledge

*geographical skills

Study of our local area, human/physical features and land use

RE daily worship, weekly visit from local vicar, children's worship. Lessons based on Christian calendar.

Science - Light

Exploring the way light behaves, sources of light, reflection and shadows.

DT design/make/evaluate/ improve technical knowledge

Develop use of tools and understanding of different materials.

Maths

Addition & subtraction. Multiplication & division.

We will be looking at place value, times table facts for all of the tables, and converting between fractions of different denominators and between fractions and decimals.

Spring 1 2023
