### This Fortnight at School!

Our Topics are... Swifter, Higher, Stronger and Europe, Explorers and Railways

We have been reading... Non-Fiction books about the body and TripWrecked

### ScholarPack Parents App

All parents should have received an email asking them to activate our new communication tool 'ScholarPack Parents App'.

You will have a link up code, to set the app up. Once all parents have done this, we will start using the app to share information, reminders and day-to-day updates about school life.

This will be in addition to sharing on our closed PTFA page.

### PTFA Feedback

A letter was recently sent home requesting that parents and carers share feedback regarding the PTFA and financial contributions. We ask that you do your best to return these so that we can gather as much information as possible.

Thank you.

### Volunteers Needed

June 1st—7th is Volunteers week.

We are looking for volunteers to help with the school garden once school returns on June 5th . This could be during the day or even after school if that is more convenient.

If you would like to volunteer to share a skill with school, but gardening isn't your thing, or you're not available during the aforementioned week, please get in touch and we can arrange for you to visit another time!

### After School Clubs

After half term clubs will be:

Tuesday: Sports Club

Wednesday: Outdoor Club

### Nursery News

Nursery have had a busy fortnight, covering Birds and then All About Me for our learning themes!

We have made bird feeders and been drawing and painting birds. We also tried our hand at a bit of bird watching in the school grounds.

For our All About Me theme, we learnt about our families, the importance of cleaning our teeth and sleeping well, did some very relaxing yoga classes and baked delicious banana muffins!

We hope everyone has a lovely half term and thank you for another great few weeks!

### CPR and Defibrillator Training

We would like to thank Bewcastle First Responders for the very informative training evening they recently delivered at school.

The training received was informative and very well taught, and everyone who attended felt they came away with a wealth of knowledge.

Thank you also to everyone who attended and supported the event.
